First time on the course.

Has to mortgage the house to pay for hitting hostages.

Quick as a rabbit but couldnt open the window.

Slow and cautious

Showing off his shiny new holster badge slowed him down.

Spent weeks housekeeping on ammo trying to nock the duck over

Ambidextrous bugger!!!

New gun & New holster

3 targets single hand only.

Consistent in hitting hostages

Showed off by shooting whole course single hand

Thought I had better copy Rod.
